

Studio9 School of the Arts

Bursary Application

Studio9's Bursary Program is first and foremost based on a student being a good fit for our school, followed by financial needs. Receiving students must maintain good attendance and participate in all art classes. Finally, you cannot receive both a bursary and a family discount. Whatever discount is greater will apply.

In order to begin your bursary application, please provide the details requested below:

Finally, please note that with all approved bursaries, there is an expected level of commitment to Studio9 by the receiving families, either through exchange of services or volunteering. While we do not demand a specific amount of time be dedicated, 20 hours or more over the year can make a huge difference. We are always looking for help with tasks listed below:

- POSSE 9 meetings/service/show week (Parents of Studio9 Supporting Education)
- Painting - interior
- Set Building/painting
- Yard maintenance/weeding
- General Maintenance

There is an additional expectation that receiving students will have excellent attendance, participate in school events, and abide by all school regulations as outlined in the student handbook.
